From Evyonne Browning

Join us for the upcoming “Coffee with Council” event here at City Hall. We will have donuts and coffee. Rodney Peek will be the host of this month’s event, and the Mayor, other Councilmembers, and City Staff will be there as well. This is a good time for everyone to come and talk casually with your elected officials and staff.

Jan 10 – Together Leading Change, 4 p.m., location to be announced

Meet our state Senator Kasim Reed and possibly our state Representative Sharon Beasley-Teague. This is a great opportunity to impact our state government regarding our new city of Chattahoochee Hills and learn about the agenda this year at the General Assembly. How will it impact Chattahoochee Hills?

Learn about Senator Reed’s plan to run for mayor of Atlanta and how that will impact us. Do you have questions you would like our representatives to answer? The hope is that we will have the opportunity to meet several of our elected officials as we start the new year. More information to follow soon.
