Chatt Hills Adopt-a-Mile enables citizens to show their pride in Chattahoochee Hills and safely reduce the amount of unsightly trash and illegal dumping along our beautiful country roadways.

How the program works

You may sign up for a “mile” or other portion of a City roadway. The following information will help you get your “adoption” underway:

1. A registration form must be completed, indicating all relevant contact information, group information if you are volunteering as part of a group, program selection, and road/path/park selection.
2. A Liability Waiver form must be completed and submitted for each volunteer at the same time the signup form is submitted.
3. All volunteers must be age 14 or older. All volunteers under the age of 18 will require parent/guardian signatures on signup and Liability Waiver forms.
4. Volunteers wishing to “adopt” a portion of City roadway/right-of-way should turn in completed forms to Molcie Trimble, 8100 Atlanta Newnan Rd, Palmetto, GA 30303.
5. All volunteers will be expected to review and practice all safety recommendations provided by this Adopt-a-Mile program. Safety is a paramount concern.
6. Volunteers are encouraged to clean their adopted roads once a month. They are responsible for supplying their own trash bags and for disposing of the trash.
